

1. Product and Company Identification

Product Name AIR WICK® Scented Oils - All Scents
CAS # Mixture
This MSDS is designed for workplace employees, emergency personnel and for other conditions and situations where there is a greater potential for large-scale or prolonged exposure, in accordance with requirements of the U.S. Government's Occupational Safety and Health Administration (OSHA).
This MSDS is not applicable for consumer use of our products. For consumer use, all precautionary and first aid language is provided on the product label in accordance with the applicable government regulation.

Product Use Air freshener

Distributed by Reckitt Benckiser
 Morris Corporate Center IV
 399 Interpace Parkway
 P.O. Box 225
 Parsippany, NJ 07054-0225

2. Hazards Identification

Emergency overview CAUTION: EYE AND SKIN IRRITANT. Prolonged or frequent skin contact may cause an allergic reaction. Avoid contact with eyes, skin and clothing. DO NOT ingest

KEEP OUT OF REACH OF CHILDREN.

Potential short term health effects

Routes of exposure Eye, Skin contact, Inhalation, Ingestion.

Eyes Irritating to eyes.

Skin Irritating to skin.
Prolonged or frequent skin contact may cause an allergic reaction.

Inhalation None expected during normal conditions of use.

Ingestion May be harmful if swallowed.

Target organs Eyes. Skin.

Chronic effects The finished product is not expected to have chronic health effects.

Signs and symptoms Contact with liquid may cause eye and skin irritation.

OSHA Regulatory Status This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Potential environmental effects This product has not been tested.

3. Composition / Information on Ingredients

Ingredient(s)	CAS #	Percent
Proprietary fragrance	Mixture	90 - 100

4. First Aid Measures

First aid procedures

Eye contact If in eyes, rinse eyes with water. Remove any contact lenses and continue to rinse eyes for at least 15 minutes. If irritation persists, get medical attention.

Skin contact If on skin, wash area with soap and water. If irritation persists, get medical attention. Discontinue use IMMEDIATELY and get medical attention if a reaction develops. Remove any contaminated clothing and wash thoroughly with soap and water.

Inhalation Move to fresh air. Get medical attention.

Ingestion If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center immediately. Contains fragrance oils. Wash out mouth with water.

Notes to physician Treat patient symptomatically.

General advice Keep away from sources of ignition. No smoking. If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Avoid contact with eyes and skin. Keep out of reach of children.

5. Fire Fighting Measures

Flammable properties Combustible by OSHA criteria.

Extinguishing media

Suitable extinguishing media Dry chemical. Carbon dioxide. Water spray. Foam.

Unsuitable extinguishing media Do not use water jet.

Protection of firefighters

Specific hazards arising from the chemical Not available

Protective equipment for firefighters Firefighters should wear full protective clothing including self contained breathing apparatus.

Hazardous combustion products May include and are not limited to: Oxides of carbon.

Explosion data

Sensitivity to mechanical impact Not available

Sensitivity to static discharge Not available

6. Accidental Release Measures

Personal precautions Keep unnecessary personnel away. Do not touch or walk through spilled material. Do not touch damaged containers or spilled material unless wearing appropriate protective clothing. Keep people away from and upwind of spill/leak.

Environmental precautions Do not discharge into lakes, streams, ponds or public waters. Advise authorities if product has penetrated drains, sewers or water pipes.

Methods for containment Stop leak if you can do so without risk. Prevent entry into waterways, sewers, basements or confined areas.

Methods for cleaning up Remove sources of ignition. Before attempting clean up, refer to hazard data given above. Small spills may be absorbed with non-reactive absorbent and placed in suitable, covered, labelled containers. Prevent large spills from entering sewers or waterways. Contact emergency services and supplier for advice. Never return spills to original containers for re-use.

7. Handling and Storage

Handling	<p>CAUTION EYE AND SKIN IRRITANT. Ensure adequate ventilation. Avoid contact with eyes, skin and clothing. Do not ingest. Prolonged or frequently repeated skin contact may cause an allergic response in some individuals. IMPORTANT. Risk of electrical shock. This is not a toy and is not intended for use by children. For adult use only. DO NOT put fingers or hands into product. For safe use, plug only into properly functioning 120-volt electrical outlet, where product is ventilated and cannot contact bed covering or other material. DO NOT use with extension cords. If using a GFCI outlet, test on a regular basis. DO NOT immerse in water. DO NOT plug anything in above it. DO NOT use air freshener with Mega fragrance bottle in vertical receptacles. ONLY for use with AIR WICK® Air Freshener Refills. DO NOT place fragrance oil bottle or cap on finished wood surfaces or place any object within 12 inches (30 cm) above warmer. Reckitt Benckiser will not be held responsible for damage, injury or poor performance caused by use of any other refills in AIR WICK® Warmers.</p> <p>When using do not eat or drink. Wash hands before breaks and immediately after handling the product.</p>
Storage	<p>Keep out of reach of children. Do not store at temperatures above 120°F (49°C). Keep away from heat, open flames or other sources of ignition. Keep containers tightly closed and upright to prevent leakage.</p>

8. Exposure Controls / Personal Protection

Exposure limits	
Ingredient(s)	Exposure Limits
Proprietary fragrance	ACGIH-TLV Not established OSHA-PEL Not established
Engineering controls	Not normally required if good ventilation is maintained.
Personal protective equipment	<p>Consult the product label for special protection or precautions that have been identified for using this product under directed consumer use conditions. The following recommendations are given for workplace employees, emergency personnel and for other conditions and situations where there is a greater potential for large-scale or prolonged exposure.</p>
Eye / face protection	No special requirements under normal use conditions. Emergency responders should wear full eye and face protection. If splashes are likely to occur, wear: Goggles.
Hand protection	No special requirements under normal use conditions. Emergency responders should wear impermeable gloves.
Skin and body protection	Prolonged or frequent skin contact may produce an allergic reaction in some individuals. Wash off with soap and water. Emergency responders should wear impermeable clothing and footwear when responding to a situation where contact with the liquid is possible.
Respiratory protection	Not normally required if good ventilation is maintained. If a risk assessment indicates this is necessary, use an approved NIOSH respirator.
General hygiene considerations	Avoid contact with skin, eyes and clothing. Handle in accordance with good industrial hygiene and safety practice. When using do not eat or drink. Washing with soap and water after use is recommended as good hygienic practice to prevent possible eye irritation from hand contact.

9. Physical and Chemical Properties

Appearance	Clear
Color	Variable
Form	Liquid

Odor	Characteristic
Odor threshold	Not available
Physical state	Liquid
pH	Not available
Freezing point	Not available
Boiling point	Not available
Pour point	Not available
Evaporation rate	Not available
Flash point	All products have a flashpoint greater than 160°F (71.1°C).
Auto-ignition temperature	Not available
Flammability limits in air, lower, % by volume	Not available
Flammability limits in air, upper, % by volume	Not available
Vapor pressure	0.034 KPa (0.25437 mm Hg)(20°C)
Vapor density	Not available
Specific gravity	Not available
Octanol/water coefficient	Not available

10. Stability and Reactivity

Reactivity	This product may react with strong oxidizing agents.
Possibility of hazardous reactions	Hazardous polymerization does not occur.
Chemical stability	Stable under recommended storage conditions.
Conditions to avoid	Keep from freezing. Excessive heat and moisture. Heat, open flames, static discharge, sparks and other ignition sources.
Incompatible materials	Oxidizers. Caustics. Acids.
Hazardous decomposition products	May include and are not limited to: Oxides of carbon.

11. Toxicological Information

Component analysis - LC50

Ingredient(s)	LC50
Proprietary fragrance	Not available

Component analysis - Oral LD50

Ingredient(s)	LD50
Proprietary fragrance	Not available

Effects of acute exposure

Eye	Irritating to eyes.
Skin	Irritating to skin. Prolonged or frequent skin contact may cause an allergic reaction.
Inhalation	None expected during normal conditions of use.
Ingestion	May be harmful if swallowed.
Sensitization	The finished product is not expected to have chronic health effects.
Chronic effects	The finished product is not expected to have chronic health effects.
Carcinogenicity	The finished product is not expected to have chronic health effects.
Mutagenicity	The finished product is not expected to have chronic health effects.
Reproductive effects	The finished product is not expected to have chronic health effects.
Teratogenicity	The finished product is not expected to have chronic health effects.
Name of Toxicologically Synergistic Products	Not available

12. Ecological Information

Ecotoxicity	Not available
Persistence / degradability	Not available

Bioaccumulation / accumulation	Not available
Mobility in environmental media	Not available
Environmental effects	Not available
Aquatic toxicity	Not available
Partition coefficient	Not available
Chemical fate information	Not available

13. Disposal Considerations

Disposal instructions	Dispose in accordance with all applicable regulations. Empty liquid container can be discarded in the trash or recycled where appropriate. Do not dispose of large quantities down the drain.
Waste from residues / unused products	Not available
Contaminated packaging	Dispose of as household waste.

14. Transport Information

UN/ID N.o. Not applicable

U.S. Department of Transportation (DOT): Classification: Not regulated

Proper shipping name	Not applicable

15. Regulatory Information

Occupational Safety and Health Administration (OSHA)

29 CFR 1910.1200 hazardous chemical Yes

US Federal regulations

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Product Registration: Product is compliant with CPSC regulatory guidelines; a specific registration is not required for this product.

CERCLA (Superfund) reportable quantity

None

Superfund Amendments and Reauthorization Act of 1986 (SARA)

Hazard categories Immediate Hazard - Yes
Delayed Hazard - Yes
Fire Hazard - Yes
Pressure Hazard - No
Reactivity Hazard - No

Section 302 extremely hazardous substance No

Section 311 hazardous chemical No

Clean Water Act (CWA) Not available

State regulations This product is not subject to warning labeling under the California Proposition 65 regulation.

Inventory status

Country(s) or region	Inventory name	On inventory (yes/no)*
United States & Puerto Rico	Toxic Substances Control Act (TSCA) Inventory	Yes

A "Yes" indicates that all components of this product comply with the inventory requirements administered by the governing country(s)

16. Other Information

Disclaimer

This product should only be used as directed on the label and for the purpose intended. To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier nor any of its subsidiaries assumes any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
